Dear Badminton Friends,

Following your registration to the Nantes International Challenge, I am contacting you to remind you that the **deadline for accommodation booking** is ending **today, May 17**.

After this time, we can no longer guarantee the availability and rates displayed on the booking site.

If you planned to be accommodated in one of our official hotel, **please send me as soon as possible your accommodation request** so that I can block rooms for you.

If you encountered any issues while connecting on our website, please send me your request directly by replying to this email.

Here is the link to check our accommodation offer : <https://nantes-international.fr/wp-content/uploads/2024/02/ICN-2024-Accommodation-V2.pdf>

As a reminder, transportation service will be provided only to delegations having decided to be accommodated through the Organizing Committee and in one of the official hotels.

I remain at your disposal if needed.

Kind Regards,

Basile AMELINEAU
