Dear Sir ,
Greetings from Bangladesh Badminton Federation (BBF)

We are pleased to inform you that out of our two tournaments "Yonex Sunrise Bangladesh International Challenge 2025" has already completed and "Yonex Sunrise Bangladesh International Series 2025" has started from today . We have well secured our tournament venue , all official hotels and surrounding area as per necessity. Including four intelligent forces there are seven forces working on it to ensure the safety of the tournaments.

Most of the variant country players are staying in official hotels but some of the players under you have arranged their own accommodation yourself . Some of them we have able to find out and requested to our national Security system to ensure the safety for that hotels also but some of your player we don't know actually where they are staying actually.

So Bangladesh Badminton Federation has a request and advice to you. Please ask all players to stay in an official hotel that can ensure all of their security and safety on their position and movement around the area .

Thank you &
Best Regards

Md Rasel Kabir Sumon
General Secretary
Bangladesh Badminton Federation
