Visa Support and Guarantee Letters: I Feel Slovenia LI-NING Open 2026**Dear Players and Team Officials,**

We are writing to provide important information regarding the **Letter of Guarantee** required for your visa applications.

To ensure a smooth, coordinated process, the Badminton Federation of Slovenia has a long-standing agreement with the Embassy. Please take note of the following procedure:

- **Timing:** Guarantee letters will be issued only **after the official tournament entry deadline** has passed - 14.04.2026.
- **Eligibility:** Letters will be prepared for players and accompanying staff who are officially entered in the tournament and appear on the **M&Q list**.
- **Requirement:** The letter will be issued once the entry fees have been fully paid.

Important Note on Deadlines: Please do not be concerned about the timing. Because this process is pre-arranged with the Embassy, you will have sufficient time for your visa application to be processed and approved once the registrations are finalized.

We look forward to welcoming you to Slovenia!

Best regards,

Organizing Committee - I Feel Slovenia LI-NING Open 2026
